APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of the waters of East Side Well (underground) as heretofore granted under Permit No. 11466, the subject of Certificate No. 3512, is issued subject to the terms and conditions imposed in said Permit No. 11466 and with the understanding that no other rights on the source will be affected by the change proposed herein. It is understood that the intent of said Application No. 13498 is not to make any physical change but rather to correct the description of the point of diversion and place of use of the waters from said source. The State retains the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed 0.032 cubic foot per second.

Actual construction work shall begin on or before July 8, 1951

Proof of commencement of work shall be filed before August 8, 1951

Work must be prosecuted with reasonable diligence and be completed on or before July 8, 1952

Proof of completion of work shall be filed before August 8, 1952

Application of water to beneficial use shall be made on or before

July 8, 1953. Proof of the application of water to beneficial

use must be filed with State Engineer on or before August 8, 1953

Proof of commencement of work filed APR 2 1951

Proof of Completion of work filed APR 2 1951

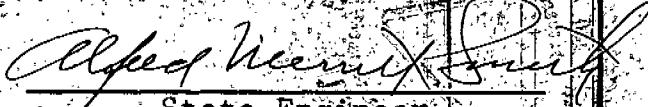

WITNESS MY HAND AND SEAL this 14th day
PROOF OF BENEFICIAL USE FILED APR 2 1951

of February, 1951

Certificate No. 3618 Issued May 23, 1951 for 0.032 CFS for Stock.
